

Electrostatics 2019

8–11 April 2019

Manchester Conference Centre (Pendulum Hotel),
Manchester, UK

Organised by the IOP Electrostatics Group

Exhibition and sponsorship

Electrostatics 2019 is organised by the Dielectrics & Electrostatics Group of the Institute of Physics and continues the International Conference series on Electrostatics, which takes place in the United Kingdom every four years. The conference will be held in the city of Manchester, the UK's second city and birthplace of the industrial revolution.

Exhibition

A two-day table-top exhibition will be held alongside the conference on Wednesday 10 and Thursday 11 April. The exhibition will provide companies in the field and related areas of electrostatics the opportunity to demonstrate their products to a captive audience.

Why exhibit?

- demonstrate the range and quality of your products and services to a specialised audience;
- maximise your exposure both nationally and internationally and connect with industry representatives;
- establish your company within the scientific community;
- target new customers and build existing relationships;
- showcase new or upgraded product ranges.

Exhibition package

£550 + VAT*

(bookings received after 20 January 2019)

£650 + VAT*

Space is available as a table-top display and includes:

- Your company profile in the handbook and abstract book
- Your company logo and website link on the conference website
- List of conference delegate registrations
- Access to the technical sessions for one company representative
- Tea/coffee and lunch provided during the exhibition for one company representative (additional representatives can be booked at £90 + VAT per person)
- Conference dinner ticket for 1 company representative

Exhibition packages are limited and allocated on a strictly first-come, first-served basis.

Sponsorship

We also invite sponsorship from companies and organisations wishing to raise their profile within the community and increase their visibility at the conference. The premium and gold packages are inclusive of exhibition space during the two-day exhibition.

Why sponsor?

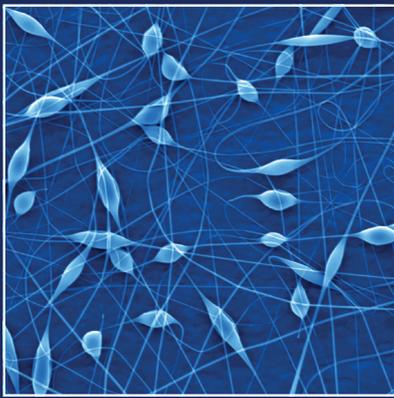

- an opportunity to promote your organisation and raise your profile within the wider community;
- promote your company name to national and international participants prior to, during and after the conference – these include decision makers, scientists and students;
- demonstrate your commitment to assisting the development of young researchers;
- your representatives can mix informally with professionals from industry and academia in the UK and all around the world;
- your support of the conference will be acknowledged widely through web-based and printed material;
- sponsorship contributes significantly to the promotion, planning and operation of the conference, reducing the overall cost of managing the event and enabling a higher level of participation.

Premium sponsor

£1250 + VAT *

Included within the premium package:

- acknowledgement as a premium sponsor on all material relating to the conference, including the book of abstracts distributed to all participants;
- sponsors may distribute their catalogue or brochure in the delegate packs;
- sponsor's logo will appear prominently on the homepage of the conference website as well as the sponsor's page; this will include a link to the sponsor's website;
- a one-page colour A4 advert in the book of abstracts;
- sponsors will have the opportunity to give a technical presentation during the conference programme;
- complimentary exhibition package (10 and 11 April), including lunch and refreshments for one exhibitor representative;
- one complimentary full conference delegate registration (8–11 April) including conference material, access to technical sessions, catering and conference dinner.
